

UK College of Arts & Sciences Undergraduate Suspension Appeal Form

Suspension Posted	Appeal Application Deadline	Appeal Decision
May 2023	Due by May 15, 2024	May 17, 2023 / Notification sent by email
Name:		
Street Address:		
City, State, and Zip:		
Telephone:	UKID:	
Academic Advisor:	Major:	
Email Address:		

Please answer each of the following questions and attach your answers to the appeal form.

1. Explain the factors contributing to low academic performance in previous term(s) with GPAs below 2.0. Detail how these factors directly impacted your academic performance, citing specific examples.
2. Outline the resolution of these factors, providing concrete examples and demonstrating a clear path to improvement. Include specific strategies and actions you will implement to ensure better academic performance moving forward, contingent upon appeal approval.

Documentation

All submitted documentation must specifically address the issues described in your letter of explanation. When appealing based upon medical or psychological issues, statements from your health care provider that explain how your circumstances had an impact on your academic performance should be provided when available.

Student Signature: _____ Date: _____

Return this form, your responses to the questions, and any documentation to:
